Accessories for EL5060 and EL5061 Series Actuators

Available accessories

EL5804 - Anti-condense heater.

EL5806 - 2 switch pack.

EL5807 - Auxiliary feedback potentiometer and gear.

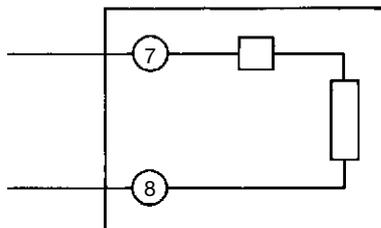

EL5808 - Auxiliary feedback potentiometer without gear.

Technical data

Accessory type	Specification
EL5804	4 watt
EL5806	15 A resistive at 250 Vac
EL5807 and EL5808	1 000 ohms, 4 watt

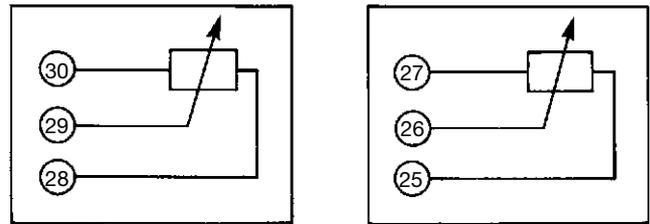

Wiring diagrams

EL5804 anti-condense heater

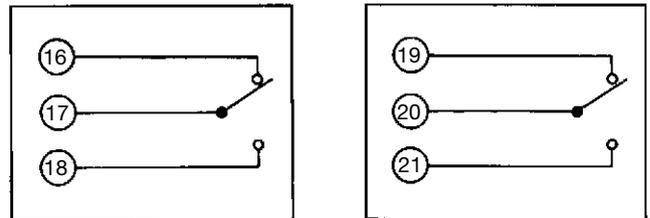

Anti-condense heater

EL5807 and EL5808 auxiliary potentiometers

1 000 Ω feedback potentiometers

EL5806 auxiliary switches

Adjustable travel switches

How to order

Example: 1 off EL5807 auxiliary feedback potentiometer and gear train. For information on EL5060 and EL5061 series actuators see TI-P321-02.
